SKATING TRIP 2019 – Friday 30 August Year 1 to 3

Dear Parents/Caregivers

This year's skate trip at Tekapo is on **Friday 30 August**.

The **approximate** costs for the day will be:

\$37.00 including boot hire, lesson and transport by bus.

A school invoice will be issued after the day, to everybody attending.

There is no price difference if your child has their own boots.

The students in **Year 1 - 3** must be at school by 8.30 am
The buses will leave at 9.00 am.

The skaters will be home by 3.00 pm.

A gear list is attached. Please ensure that you have the required clothing and gear for all people who are attending the trip.

In the past it has been generally indicated that parents would prefer to be matched with their child if they are an accompanying adult. We will be trying to achieve this. If you have any questions about how it has been organized for you, please see Diana Young or Megan Cahill before the day of the trip.

It is always a juggling act to get enough students to fill the bus and cover the costs.

If parents take their children off the bus it may mean the remaining students have to pay more or the trip cannot proceed.

It has become apparent that the best way to get parents to the skating rink is to have them arrange their own transport and coordinate with each other. As a result of this we have hired sufficient room on the buses for the students only. As the notices are returned we will be able to provide lists of adults taking vehicles so that you can check who to contact for a ride.

Please remember that the day is designed to give students an opportunity to experience a controlled, exciting outdoor activity. Your essential role as a parent help is to focus on enhancing the students' experience by helping them have a successful day.

The gear list is on the last page of this notice.
