## **Teacher Strike Day 15 November 2018**

Dear Parents/Caregivers

At this stage the strike looks likely to go ahead, therefore as indicated last week, the Board have carefully considered the availability of teaching staff, and unfortunately decided that we cannot provide the normal teaching services during the strike.

It is important that you make alternative arrangements for the care of your child/children on the day of the strike.

The school will need to close during this strike.

I know that this is inconvenient for parents and students alike, but please be assured that student safety is our main concern. Thank you for your understanding.

We need to know that all families have received this notice and are aware of the closure. Would you please complete [this form](#).
