ROOM 9 CAMP - FINAL NOTICE

Dear Room 9 Parents and Caregivers

This is our final camp notice. You should have received a notice by email last Wednesday (first day of school) that had the camp programme and a gear list attached. If you need another copy you will find it on the St Joseph's School website in the [News Centre](#) section.

Students will need to meet in Room 9 at 8.20am at the latest on Tuesday morning next week so we can pack the trailers and vans and depart by 8.45 am. Please have your students at school by this time because if we can get away earlier that would give us more time in Christchurch at the other end. Camp parents will need to be there by 8.00 am so we can have a briefing prior to most of the students arriving please.

On Tuesday morning, students will need to have their backpacks with them and will have them in the van with them. These will contain their drink bottle (water only please), lunch box (with enough food for morning tea, lunch, and afternoon tea), a sunhat and jacket. Any medication needs to be handed to either teacher prior to departure. Students need to have sports shoes on, and wear clothes that are easy to move in. Girls with long hair are to have their hair tied up.

Students are to bring their backpack into Room 9 when they arrive on Tuesday morning and put all other luggage on the court near the trailers please.

It can be chilly at Adrenalin Forest (Wednesday afternoon activity) so please ensure that your child has a polypro or has layers they can take on and off. A longer pair of shorts is also good for this activity (not denim shorts).

Students can bring lollies but these must be handed into either teacher so they can be shared among the class. **Please - no chewing gum or cell phones or other devices.** A reminder that a container of homemade baking is required from each student. If you are not a baker, the Hassall Street Bakery make great biscuits and slices

On Friday our aim is to be back at school between 2.30 pm and 3.00 pm. A text alert will go out on Friday to confirm the time. Photos from camp will be posted daily on the Room 9 Facebook page so you can see what we have been up to. If you have not joined the page the link is here: [Room 9 facebook link](#)

or search for: Room 9 St Joseph's School Timaru

Parents who have offered to help with the making of the nacho mince, brownie and macaroni cheese - many thanks, and I will send home ingredients with your child on Friday.

If you have any questions please contact Trisha
