

20th August 2021

Kia ora Parents/Caregivers,

The Level 4 lockdown has been extended until Tuesday the 24th of August. This means we have at least two more days next week of online learning. If you require a device from school, or have left an essential piece of equipment at school such as a charger, **please fill in an appointment time by clicking on this [booking link](#) by 7pm tonight.** This equipment can be dropped off at your letterbox also. If this is not possible we will have limited times for you to come to school on Saturday afternoon to collect your device/equipment. When filling in the booking form please:

1. Choose Device Handout
2. Click on Carmel.
3. Make the appointment for Monday 23rd but the appointment is actually for **Saturday tomorrow.** Apologies for an anomaly in the system. Times start from 12pm.

This will require you to collect your equipment from the bottom of the hill at the gate. You will need to:

- Wear a mask
- Come and go very quickly
- Use hand sanitiser
- Use the Covid tracer app
- Have no contact with anyone outside your bubble
- Be on time

At this stage we are not planning for an online assembly on Friday as hopefully we will be back at school, however we will keep you informed as the situation changes. Your teacher will be emailing you with some suggestions for online learning, however, you will need to also consider what is best for your child, and the bubble you live in.

Below are the guidelines we have for home learning.

<p><u>Class Learning</u> Room 4-9 Shared to students drive in folder Learning at home. Parents will be emailed by each class teacher regarding expectations</p>  <p>Room 1-3 Shared with parents by email each week with suggestions to support learning at home.</p>	<p><u>Announcements</u> For Parents Class FaceBook Groups Emails & text alerts</p>  <p>For Students Google hangouts Emails Google doc comments</p>	<p><u>Virtual Classroom hours</u> Teachers will be monitoring and responding to questions or requests between 10am-12pm Monday to Friday, via email google hangouts or commenting within google docs</p>  <p>Live Chats Teachers will schedule live chats and meets in Google hangouts between 10am-2pm during the school week only. Teachers will book this in with groups, individuals or whole class as needed.</p>
