Dear Parents/Caregivers

Urgent Request: Thai Student - Homestay Request

St Joseph's school has the opportunity to host two Thai students for 3 weeks in conjunction with a short-stay visit to South Canterbury.

Craighead and Roncalli are hosting other students in the group.

We need families to act as hosts for the 3 weeks. They arrive on **Monday 18 March** and leave on **Tuesday 9 April**. They will attend school each day and sometimes join together for activities that the schools arrange.

The students are both boys and are 10 years old and 11 years old and would love to stay together with a kiwi family. There is a fee paid to the host families for hosting the boys.

If you are interested, please email Carmel principal@stjosephstimaru.school.nz as soon as possible. We need to let their families know by Friday.

Families who have hosted in the past have really enjoyed the experience.

Carmel Brosnahan-Pye
